PART#: EC-ESTK Ingram SKU#: Q39383 Synnex SKU#:1988221

Description :

The 3.5" enclosure is designed to use for any SATA (Serial ATA) Hard Drive !

It allows you connect any SATA (Serial ATA) hard drive externally, while the durable aluminum case effectively dissipates the heat to create instant portable data storage in a case that is extremely compact. USB 2.0 connection (backward compatible to the USB 1.1) allows data transfer speeds of up to 480 Mbps via a standard USB 2.0 A-Male to B-Male cable.

This case assembles without screws, and includes a stand to stand the enclosure upright.
